

The digital tax calendar is a web application that tracks tax deadlines and reminds users of upcoming submissions. At specified time intervals nearing any applicable tax deadlines, the system will remind clients to wrap up any ongoing return preparation processes. This will help clients monitor upcoming BIR requirements for timely filing of returns and payment of taxes.

How to install Tax Calendar app

The Application is accessible thru this [link](#) from a web browser and can be installed on a computer desktop or mobile. Follow the below instruction to install the application.

For Desktop PC	For Smartphone or Tablet running on Android OS	For Smartphone or Tablet running on iOS
